ARTICLE III Miscellaneous

Section 3.01 Construction. The captions in this Assignment are for convenience only and shall not be considered a part of or affect the construction or interpretation of any provision of this Assignment. Assignor and Assignee acknowledge that they have participated jointly in the negotiation and drafting of this Assignment and as such they agree that if any ambiguity or question of intent or interpretation arises hereunder, this Assignment shall not be construed more strictly against one party than another of the grounds of authorship.

Section 3.02 No Third Party Beneficiaries. Nothing in this Assignment shall provide any benefit to any third party or entitle any third party to any claim, cause of action, remedy or right of any kind, it being the intent of the parties hereto that this Assignment shall otherwise not be construed as a third party beneficiary contract.

Section 3.03 Assignment. This Assignment shall be binding upon and inure to the benefit of the parties hereto and their respective successors, assigns and legal representatives.

Section 3.04 Counterpart Execution. This Assignment may be executed in any number of counterparts, each of which shall be deemed an original and all of which together shall constitute but one and the same instrument.

The interests conveyed by such separate assignments are the same, and not in addition to the Assets conveyed herein. Where such separate assignments have been, or will be, executed for filing with the appropriate authorities, any such separate assignments (a) shall evidence the assignment of the applicable Assets herein made, and shall not constitute any additional assignment of the Assets, (b) are not intended to modify, and shall not modify, any of the terms, covenants and conditions, or limitations on warranties, set forth in this Assignment and are not intended to create and shall not create any representations, warranties or additional covenants of

In the event any dispute arises with respect to this Assignment, the parties hereto consent to jurisdiction and litigation of such dispute exclusively in Federal Courts of the United States of America located in Houston, Texas (or, if requirements for federal jurisdiction are not met, State Courts located in Houston, Texas) and any resulting appellate courts. THE PARTIES HEREBY, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY ANY PARTY AGAINST ANOTHER IN ANY MATTER WHATSOEVER ARISING OUT OF OR IN RELATION TO OR IN CONNECTION WITH THIS ASSIGNMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Any failure by any party hereto to comply with any of its obligations, agreements or conditions herein contained may be waived in writing by the party to whom such compliance is owed. No waiver of, or consent to a change in, any of the provisions of this Assignment shall be deemed, or shall constitute a waiver of, or consent to a change in, any other provisions hereof (whether or not similar) nor shall such waiver constitute a continuing waiver unless otherwise expressly provided.
- (b) *Interpretation; Reliance*. This Assignment shall not be construed against any party hereto, and no consideration shall be given or presumption made, on the basis of who drafted this Assignment or any provision of this Assignment, or who supplied the form of this Assignment. Each party hereto agrees that this Assignment has been purposefully drawn and correctly reflects its understanding of the transactions contemplated by this Assignment and, therefore, waives the application of any law, regulation, holding or rule of construction providing that ambiguities in an agreement or other document will be construed against the party drafting such agreement or document. Notwithstanding anything to the contrary in this Assignment, each party hereto has relied and will be deemed to have relied upon for all purposes of this Assignment all of the other party's express representations, warranties, covenants, agreements and indemnification obligations set forth in this Assignment.

- (c) *Amendments and Severability.* This Assignment may be amended or modified by the parties hereto by an agreement in writing executed in the same manner as this Assignment. No supplement, modification, waiver or termination of this Assignment will be binding unless signed by the party to be bound thereby. The invalidity of one or more covenants or provisions of this Assignment will not affect the validity of the Assignment as a whole.
