The entire cost and expense of such actions shall be paid by Mortgagor.

ARTICLE 6
WARRANTY AND LIMITATION THEREON

6.1 Express Warranty.

Mortgagor expressly warrants to Mortgagee, subject to, but only to, such limitations as are expressly mentioned in this Mortgage or as are expressly described in Exhibit A, that as of the Effective Date, (i) the Mortgagor has good, valid and defensible title to each Mineral Interest or oil or gas well located thereon ("**Oil and Gas Property**") listed on Exhibit A to the extent of the Net Revenue Interest stated thereon, provided that Mortgagor's Working Interest regarding each such Oil and Gas Property shall not be greater than that specified thereon (unless there is a proportionate increase in the Net Revenue Interest associated with such Working Interest), in either case without any provision for limitation or adjustment; the Mortgagor has good, valid and defensible title to the movable and immovable Property described in Section 2.1. E through K above; and the Mortgagor has a good and legal right to make the grant and conveyance made in this Mortgage, (ii) the Mortgagor's interest in each Lease that affects an Oil and Gas Property listed on Exhibit A shall exceed Mortgagor's Net Revenue Interest in production from such Lease to the extent of the Mortgagor's proportionate share of all royalties, overriding royalties, and other such payments out of production burdening the Mortgagor's interest in each such Lease; and (iii) the Mortgaged Property is free from all encumbrances or liens whatsoever, except as may be specifically set forth in Exhibit A.

"Net Revenue Interest" shall mean the interest in the Oil and Gas Property that entitling Mortgagor to the percentage of all production attributable to the Oil and Gas Property listed on Exhibit A.

A. Mortgagor shall defend and indemnify Mortgagee against any claim or demand made or asserted by any Person contrary to the warranty made in this or any other article of this Mortgage, or inconsistent with Mortgagor's obligations hereunder, and these obligations shall continue, notwithstanding the payment, release, extinction or termination of the Secured Indebtedness or the security given herein, or the surrender by the Mortgagee of any evidence of the Secured Indebtedness and its transfer to another.

B. If any claim, charge, lien or other encumbrance contrary to the terms hereof exists or arises against Mortgagor on all or any portion of the Mortgaged Property, whether such claim or encumbrance is inferior or superior to those created by this Mortgage, Mortgagor shall promptly satisfy such claim and remove such encumbrance from such Mortgaged Property.

C. Mortgagor further represents and warrants that, to the best knowledge of Mortgagor, all of the Leases specifically described in Exhibit A are in full force and effect and all covenants, express or implied, in respect of the Leases specifically described in Exhibit A, or of any assignment of any of such Leases, which may affect the validity of any of such Leases, have been performed in all material respects insofar as such Leases pertain to the Land.

D. Mortgagor further represents and warrants that all of the Surface Leases specifically described in Exhibit A, if any, are in full force and effect and all covenants, express or implied, in respect of such Surface Leases specifically described in Exhibit A, which may affect the validity of any of such Surface Leases, have been performed in all material respects.

ARTICLE 7 **COVENANTS**

In consideration of the Secured Indebtedness, Mortgagor, for itself, its legal representatives, successors, and assigns, covenants and agrees as follows:

7.1 Operation of Mortgage Property.

So long as the Secured Indebtedness or any part thereof remains unpaid, and whether or not the Mortgagor is the operator of the Mortgaged Property, the Mortgagor, at the Mortgagor's own expense shall at all times maintain, develop and operate the Mortgaged Property in a good and workmanlike manner and will observe and comply in all material respects with all of the terms and provisions, express or implied, of all oil and gas leases, relating to the Mortgaged Property so long as such oil and gas leases are capable of producing hydrocarbons in commercial quantities, to the extent that the failure to so observe and comply could cause an Event of Default; provided, however, that with respect to Mortgaged Property which is operated by operators other than the Mortgagor, any guarantor or any affiliate of any of the foregoing, the Mortgagor shall not be obligated itself to perform any undertakings contemplated by the covenants and agreements contained herein which are performable only by such operators and are beyond the control of the Mortgagor; and provided further, that the Mortgagor agrees, at the Mortgagor's own expense, to promptly take all actions available to the Mortgagor under any operating agreement or otherwise to bring about the performance of any such undertaking required to be performed by such operators.

7.2 Pooling or Unitization.

Mortgagor shall be entitled to, without the prior written consent of Mortgagee, pool or unitize all or any part of the Mortgaged Property where the pooling or unitization would result in the enlargement or diminution of the Net Revenue Interest of Mortgagor in production from the pooled or unitized lands attributable to the Mortgaged Property constituting a portion of such pooled or unitized lands immediately after the formation of any pool or unit in accordance herewith, when it is required to do so or when it is advisable to do so in the best professional judgment of Mortgagor. In any such event, Mortgagor will furnish to Mortgagee a conformed copy of the pooling agreement declaration of pooling, or other instrument or order creating the pool or unit. The interest of Mortgagor included in any pool or unit attributable to the Mortgaged Property or any part thereof shall become a part of the Mortgaged Property and shall be subject to the liens hereof in the same manner and with the same effect as though the pool or unit and the interest of Mortgagor therein were specifically described in Exhibit A. In the event any proceedings of any governmental authority which could result in pooling or unitizing all or any part of the Mortgaged Property are commenced, Mortgagor shall give written notice thereof to Mortgagee.

7.3 Access to Mortgaged Property.

Mortgagor will permit Mortgagee and its accredited agents, representatives, attorneys and employees, at the expense of Mortgagor, at all reasonable times, to go upon, examine, inspect, conduct environmental audits and other testing of, and remain on, the Mortgaged Property, and to go upon the derrick floor of any well at any time drilled or being drilled thereon at Mortgagee's written agreement that any such visit to the Mortgaged Property, or any part thereof, shall be at Mortgagee's sole risk and liability, and subject to safety standards applicable in the industry, and will furnish Mortgagee, upon written request, all pertinent information regarding the development and operation of the Mortgaged Property.

7.4 Partial Releases.

Mortgagee at all times shall have the right to release any part of the Mortgaged Property now or hereafter subject to the liens of this Mortgage, any part of the proceeds of production or other income herein or hereafter assigned or pledged, or any other security it now has or may hereafter have securing the Indebtedness, without releasing any other part of the Mortgaged Property, proceeds, or income, and without affecting the liens hereof as to the part or parts of the Mortgaged Property, proceeds, or income not so released or the right to receive future proceeds and income.

7.5 Covenants Running with Land.

All covenants and agreements herein contained shall constitute covenants running with the Land.

ARTICLE 8
SALE OF PRODUCTION AND
COLLECTION OF ASSIGNED ACCOUNTS AND OTHER FUNDS

8.1 Right to Proceeds.

Upon written request, Mortgagee may require Mortgagor to obtain, at Mortgagor's sole cost, an appraisal by an appraiser of Mortgagee's choice for the Mortgaged Property in form and substance satisfactory to Mortgagee. If the appraisal establishes the Mortgaged Property's stabilized value for a Loan-to-Value Ratio (as hereinafter defined) is less than 75%, then, until the Loan-to-Value Ratio is equal to or greater than 75%, Mortgagee may collect in its own name or that of Mortgagor all amounts due to Mortgagee arising from or payable with respect to the Mortgaged Property, from the date such Loan-to-Value Ratio is established to be less than 75%, but not any amounts prior to such time, with respect to:

A. Oil, gas or other minerals produced from the Mineral Interests and amounts payable with respect thereto under oil or gas sales contracts, processing contracts or other contracts relating to such minerals;

B. Rents, royalties, overriding royalties and other amounts accruing to the Mineral Interests or receivable by Mortgagor as a consequence thereof;

C. Amounts due Mortgagor under operating agreements, service contracts or other contracts for the operation of the Leases; and

D. Proceeds and any other amount or benefit accruing to Mortgagor by, under or by virtue of the ownership, use, enjoyment or disposition of the Mortgaged Property.

"Loan-to-Value Ratio" means the percentage obtained by dividing the amount set forth in Section 3.2 by the fair market value of the Mortgaged Property on a stabilized basis, as reflected by a current appraisal at the time of such calculation.

8.2 Transfer and Division Orders and Other Documents.

Upon written request of Mortgagee, Mortgagor shall execute and deliver to Mortgagee or such persons as Mortgagee may direct, written transfer or division orders, notices of assignment, directions to pay Mortgagee, or any other document and shall take such other steps as may in Mortgagee's judgment be necessary to cause or permit Mortgagee to receive or enforce payment of any amounts it is entitled to receive hereunder.

8.3 Representation to Payor.

To induce the person owing such amounts to make payment directly to Mortgagee, Mortgagor relieves the payer of any responsibility for seeing to the proper application thereof or determining Mortgagee's right to receive or to continue to receive such sums. Mortgagor shall confirm these representations directly to any person Mortgagee requests.

8.4 Application of Funds.

All amounts received by Mortgagee under the provisions of this Mortgage from the Mortgaged Property or the proceeds of any sale thereof shall be applied to the Secured Indebtedness in accordance with the Promissory Note and any excess shall be released to Mortgagor promptly.

8.5 Use of Proceeds.

During periods when Mortgagee does not elect to receive any proceeds or other amount accruing to the Mortgaged Property, Mortgagor may use such funds for any purpose that is not inconsistent with the Promissory Note.

8.6 Additional Security.

All deposits or funds from any source held or controlled for any reason from time to time by Mortgagee and belonging or owed to Mortgagor shall be part of the Mortgaged Property.

8.7 Duty of Mortgagee.

Mortgagee shall not be required to collect or exercise diligence in collecting any funds or other amounts which it is entitled to collect, hold or receive hereunder, nor for improperly applying or crediting the same, whether or not the obligor of such funds has been notified to pay Mortgagee and shall be accountable only for such amounts as may actually and finally be paid into Mortgagee's hands.

8.8 Authority to Act in Name of Mortgagor.

Upon an Event of Default which continues beyond any applicable cure period, Mortgagee may act in the name and place of Mortgagor to take any action necessary or appropriate in Mortgagee's judgment to collect, enforce or otherwise realize any amounts it is entitled to receive under the provisions of this Mortgage or to enjoy the benefits of any right or privilege given Mortgagee hereunder or by law.

ARTICLE 9

MORTGAGEE'S RIGHT TO REMEDY

FAILURE TO COMPLY WITH OBLIGATIONS OR BREACH OF WARRANTY

9.1 Right to Remedy.

If Mortgagor for any reason fails to promptly make any payment or perform any obligation required to be paid or performed in accordance with the terms of this Mortgage or the Promissory Note, or if Mortgagor performs any act inconsistent with or contrary to such obligations; or if any representation or warranty of Mortgagor made hereunder is materially incorrect or false, Mortgagee may pay or perform the same or take such steps as are, in Mortgagee's judgment necessary or appropriate to remedy the actions of Mortgagor, discharge such claims of encumbrances, or cause the matter that is the subject of the representation or warranty to conform to the terms of this Mortgage.

9.2 Rights as to Amount Advanced.

Any amounts expended by Mortgagee and all actual costs and reasonable expenses incurred by Mortgagee in exercising the rights granted by Section 9.1 immediately above, or by any other provision of this Mortgage, resulting from the failure of Mortgagor to perform its obligations hereunder in a timely manner shall be immediately due and payable by Mortgagor to Mortgagee; become a part of the Secured Indebtedness; be secured by the security created by this Mortgage as previously provided and bear interest on such amounts as are accrued or expended by Mortgagee until they are repaid by Mortgagor at the highest rate permitted by law, or if no maximum rate is authorized in such cases, at the highest rate of interest provided in the Promissory Note. If Mortgagor fails to pay such amounts when due, Mortgagee shall also recover all costs, expenses and reasonable attorneys' fees incurred by Mortgagee in enforcing the same.

ARTICLE 10
PREPARATION OF ACT AND USE OF CERTAIN TERMS

10.1 Drafting of Act.

Mortgagor and Mortgagee declare that each of them has contributed to the drafting of this Mortgage and has had it reviewed by its counsel before signing it. Each agrees that it has been purposefully drawn and correctly reflects its understanding of the transaction that it contemplates.

10.2 Use of Defined Terms and Other Expressions.

Mortgagor and Mortgagee particularly agree that those terms that are given defined meanings in this article and elsewhere in this Mortgage are intentionally utilized in those places where they are employed and are to be understood in their defined sense unless such meaning is expressly limited or qualified.

10.3 Headings and Construction of Agreement as a Whole.

A. This Mortgage has been divided into articles, sub-articles and paragraphs for convenience only and such subdivisions have been given titles for ease of reference. The titles to such subdivisions (and to the Exhibits) form no part of the contract and resort is not to be had to them to aid in the interpretation of this Mortgage or to limit, modify or restrict its provisions. The scope and nature of the obligations of the parties is to be determined from the provisions of this Mortgage as a whole and without regard to its divisions.

B. This Mortgage is intended to include each page hereinafter labeled Exhibit A, or similar label and such pages might not be numbered and, if numbered, might not be consecutively numbered. Such Exhibit pages may have been copied from leases, purchase agreements, memoranda, assignments, division orders, legal opinions, landman reports, prior mortgages or other documents (each, a "Source") and might contain language indicating that such pages are attached to such Source rather than this Mortgage and all such language is to be ignored for the purposes of interpreting this Mortgage. Similarly, any other language in such Exhibit pages from a Source which is contrary to the other provisions of this Mortgage shall likewise be ignored.

ARTICLE 11
REMEDIES IN THE EVENT OF DEFAULT
OR UPON THE HAPPENING OF CERTAIN EVENTS

11.1 Right to Accelerate Maturity.

Any of the following events shall be considered an "Event of Default" as that term is used herein: (a) the occurrence of an "Event of Default" as defined in the Promissory Note; (b) the occurrence of any default under this Mortgage.
