Attn: Alastair McGregor

Dear Mr. McGregor:

Your letter dated February 27, 2025, requesting termination of the period of liability and cancellation of Outer Continental Shelf (OCS) Mineral Lessee's or Operator's Bond No. 612403084, in the amount of \$500,000, was received by our office on February 28, 2025. This bond, conditioned to cover Lease OCS-G 16753, all of Block 561, Green Canyon, was executed on September 30, 2021, with OGOG (GOM 1) Inc. as principal and United States Fire Insurance Company as surety.

Attached to and forming a part of Bond No. 612403084, is Bond Rider No. 1, executed on July 26, 2022, which changes the name of the principal from OGOG (GOM 1) Inc. to OGOG (K2) Inc. The rider is effective July 14, 2022.

The Bureau of Ocean Energy Management has no objection to termination of Bond No. 612403084. The period of liability is considered to have terminated effective February 28, 2025, the date of final concurrence with the termination, except as to any liability which may have accrued prior to that date.

Notwithstanding the fact that the period of liability under the above-described bond has terminated, the bond cannot be cancelled until seven years after the termination of the lease, six years after completion of all bonded obligations, or at the conclusion of any appeals or litigation related to your bonded obligations, whichever is the latest. When these requirements have been met you may submit a written cancellation request.

Please note that during the aforementioned period, to cover actual or potential outstanding obligations associated with the herein identified lease, you may provide acceptable security, pledged collateral or another corporate surety bond to the Bureau of Ocean Energy Management in lieu of the above-described surety.

If you require further assistance, please contact Kathleen Lee at (504) 736-5774 or boemgulffinancialassurance@boem.gov.

Re: Cancellation of Outer Continental Shelf (OCS) Mineral Lessee's or Operator's Bond
No. **612403084** Covering Lease No. OCS-G 16753

Dear BOEM:

Please let this letter serve as OGOG (K2) Inc.'s (formerly OGOG (GOM 1) Inc.) (GOM No. 03614) request for cancellation of Outer Continental Shelf (OCS) Mineral Lessee's or Operator's Bond No. 612403084 covering Lease No. OCS-G 16753, All of Block 561, Green Canyon (the "Lease"), which was issued by United States Fire Insurance Company as Surety, dated September 30, 2021 and in the amount of \$500,000.00 (the "Bond"). A copy of the Bond is enclosed for your reference.

As reflected in BOEM/BSEE's records, there are several area-wide bonds currently supporting the Lease and the obligations associated therewith, namely the following:

- Outer Continental Shelf (OCS) Mineral Lessee's or Operators Bond No. **22015867**, in the amount of \$3,000,000.00, effective as of July 11, 2005, with **Anadarko Petroleum Corporation** as principal and Liberty Mutual Insurance Company as surety, conditioned to cover principal's leasehold interests held now or hereafter in the Gulf of Mexico.¹
- Outer Continental Shelf (OCS) Mineral Lessee's or Operators Bond No. **2971100-2657**, in the amount of \$3,000,000.00, effective as of September 15, 1997, with **Anadarko US Offshore LLC** as principal and Safeco Insurance Company of America as surety, conditioned to cover principal's leasehold interests held now or hereafter in the Gulf of Mexico.²

¹ Anadarko Petroleum Corporation is currently designated operator for the Lease.

² Bond Rider No. 6, effective as of December 26, 2015, changed the name of the principal from Anadarko US Offshore Corporation to Anadarko US Offshore LLC. Anadarko US Offshore LLC is a record title holder in the Lease. There is no severance of operating rights from record title associated with the Lease.

- Outer Continental Shelf (OCS) Mineral Lessee's or Operators Bond No. **RLB0015613**, in the amount of \$3,000,000.00, effective as of May 16, 2014, with **JX Nippon Oil Exploration (U.S.A.) Limited** as principal and RLI Insurance Company of America as surety, conditioned to cover principal's leasehold interest held now or hereafter in the Gulf of Mexico.³

Pursuant to applicable regulations, OGOG (K2) Inc.'s bonding obligation was previously satisfied by issuance of the area-wide bonds identified above, such that issuance of the Bond was not required. See 30 C.F.R. § 556.900(c).

Accordingly, OGOG (K2) Inc. requests written cancellation of Outer Continental Shelf (OCS) Mineral Lessee's or Operator's Bond No. 612403084 terminating the period of liability of the Bond and cancelling the Bond without residual liability.

Should you have any questions or wish to further discuss, please do not hesitate to contact Lindsey Johnson, at (504) 503-1505 or ljohnson@loopergoodwine.com, or the undersigned. Otherwise, please provide OGOG (K2) Inc. with written cancellation of the Bond at your earliest convenience.

Sincerely,

OGOG (K2) Inc.
